Making Music: Fort Hays Singers

One of the best known and most professional sounding vocal groups during professor Don Stout's tenure at FHSU was the Fort Hays Singers. Music students coveted the honor of membership in this group. Selected by Dr. Stout, the group's director, the singers were among Fort Hays' top vocal talent.

A singer held one of the most versatile and positions within the music department. The group filled many requests for entertainment at events at the university, in the community and in the surrounding area.

Fort Hays Singers from 1960 through 1970 will join voices again to perform at the Alumni Awards Banquet. Rehearsal for the performance is scheduled from 1:30 to 4 p.m. on Friday, Oct. 4, in Malloy Hall, Room 115 (Hal Palmer Hall). On Saturday, singers and their guests will gather at the Holiday Inn's Frontier Room for a tasty brunch and reminiscing about days gone by. Also, group seating will be reserved at the pre-game Tiger Family Picnic Under the Big Top.

OTHER EVENTS, ACTIVITIES & INFO.

Stroll Down Memory Lane

Pick up a map at the registration table and take a self-guided walking tour of campus. There is so much to see, especially if you haven't been back in a while.

Sheridan Coliseum, once referred to as the "snake pit," was transformed from an old gymnasium into the beautiful Beach/Schmidt Performing Arts Center and office building in 1991. Jerry Tomanek Hall, our state-of-the-art physical sciences building, was dedicated in 1995. It houses the departments of chemistry, geosciences, physics and the computing and telecommunications center.

Gross Memorial Coliseum, home of the 1996 NCAA Div. I¹-Championship Tiger basketball team, remains an impressive health, recreation and athletic complex. New tennis courts were constructed in 1993 south of the building.

The renovation of Lewis Field Stadium continues, with a new press box and updated locker rooms planned. Sternberg Museum of Natural History's new site in northeast Hays, which formerly served as a community health club facility, is still under construction. The museum will contain life-like creatures and exhibits for all ages. You may visit the building as part of the Scenic Bus Tour on Friday, Oct. 4.

Most departments will be open during regular office hours on Friday. Also, don't forget to stop by your residence hall, sorority or fraternity!

"Want a lick?" These gals of 1946 laugh and have fun as they enjoy cold ice cream cones on a hot day at FHSU.

Afraid of being bored during the reading of the long list of graduates, Gus Oschsner '86 came prepared with a walkman and his sunglasses.
